## TENNIS COURTS...

It's no longer a question. It's a fact. Mayor Gene Blake and the City Council Tuesday night unanimously approved a presentation for city construction of four new tennis courts with modern lights in City Park. They will be located on the north end of the Park along East Sixth St. Four will fit there nicely.

A delegation from the Town & Country Tennis Association appeared in support of the proposal. Sid Duderstadt, one of the members, asked Council support, explaining costs and alternatives. Membership is up to about 30 or 35, I understand.

If this is dramatized, it is because a similar request was summarily axed by a 4-2 vote of CISD board the other day. Oddly enough, tennis courts are more greatly used by students in fall and spring than anybody else.

But the City approved. Funds are available.

Oddly enough, the City of Cameron is almost 130 years old and had never built any public tennis courts in all that time. At least none we could find.

Congratulations to this tennis group for finding support just as a good tennis program was about to fade for lack of facilities.

I wouldn't be surprised to see even broader interest in lessons and tournaments develop with these new courts and the possibility of others in a park near OJT Mid-School.

116-116-116

I remember when the city and school combined seemed satisfied to give some new light bulbs and tennis balls for a summer tennis clinic four years ago. At the time, it may have been all they could do. How things change for the better.

## Band Wins 1st In Parade On Buccaneer Day

Tears of joy, laughter, and screaming accompanied the spontaneous eruption of excitement as Yoe High band was announced first place winner of Class AA in the Buccaneer Days Parade held Saturday at Corpus Christi.

Including Yoe High School, there were eight bands competing in the class for the coveted trophy: Cotulla, Freer, Lake Worth, Lumberton, Orangefield, Robinson (Waco), and San Diego high schools.

Comments were made to members of the Yoe Band and Director Jerry Bartley about how much spirit and pride the band exhibited throughout the entire parade route.

The band stayed at the Master Host Inn which is located at the north base of the bridge directly on the beach.

"Many favorable comments by the motel management and tourists about the band's attitude and behavior attributed to a totally successful trip," stated Bartley.

The Yoe Band is now preparing for its spring concert for the public which will be on May 22 at 7 p.m. in the school gym. The beginner band and the junior high band will also perform.

## Humpklik Fund Termed Success

The Keith Humpklik benefit fund drive has been a success. The organizers of the drive report that \$4,500 has been turned over to the Humpklis to be used to help with the medical expenses incurred by Keith in his illness.

Everyone who had a part in the fund drive in any way, or who contributed to the fund can feel that their efforts were well worth while and highly successful.

The Joe Lee Humpklis have expressed their gratitude in the very deepest sense of the word. Gratitude to everyone for the support, prayers, and concern for Keith, which they have shown in such a great way.

116-116-116

A lot of good things happen because people allow them to happen. The record shows the nitpickers are losing out in Cameron to the people with positive criticism and solutions. By the twofold the positives are gaining.

116-116-116

I noticed a special broadcast on WISD-TV, Waco School District, at mid-week on "William Cowper Brann -- The Iconoclast." He was an editor in Waco in the 1890s, writing what is described as "personal protest" in "Brann's Iconoclast." Ten showings of the 15-minute film went into WISD classrooms and cable. It is documented by Waco's Roger Conger who wrote a "Pictorial History of Waco" and "The Best of Brann."

There is now a publication in Dallas known as the "Iconoclast." The definition which probably applied in Brann's case is "an imagebreaker." A second meaning is "one of certain religious parties devoted to the destruction of images that were venerated or worshipped."

A third meaning is "one who assails traditional beliefs."

I suppose it is a word applied to 116 at times or through the columnar years which began with 98. It is one of the nicer things I have been called.

One difference between a Brann, who either disillusioned the naive or enlightened the curious, and 116 is that I am not through with opening the veins. I think the more complete iconoclast puts some things back beyond appearances, beyond facade.

If you doubt the formula, look around you. That's not a public relations job in mid-town or around town. It's real. And what came down, and those younger people who moved in didn't just happen.

Interestingly enough, Cameron is about the same age as Brann's Waco. He may have helped Waco grow.

There's a difference between muckraking and investigative reporting.

## City To Build Four Tennis Courts

Cameron tennis enthusiasts are happy with a decision by the city council Tuesday evening to build four new courts at city park.

Action came upon recommendation by Mayor Gene Blake after a presentation by Sid Duderstadt, spokesman for the Town and Country Tennis Association.

Duderstadt outlined costs which will total \$15,700, including fence, courts, nets, lights, etc. He first proposed that the tennis association

## Former Bank Officials Given Probation

Jerry Kuehler and Adrian Richter, both of Hearne, were given three-year probated sentences in Austin April 24 by District Judge Jack Roberts.

Kuehler entered a guilty plea to Judge Roberts on March 28 for one case of false entry in the amount of \$316 while Richter entered a like plea the same date on a charge of false entry of \$145.

Kuehler, a former president of First State Bank in Hearne, and Richter, former vice-president, were the two remaining former officials and employees of six indicted earlier by a Federal Grand Jury on a charge of misapplication of funds while with First State Bank.

Judge Roberts in district court at Waco on March 19 sentenced Thomas B. Mayfield, a former First State Bank director, and Thomas F. Brashers, former president, to two years each in a federal penitentiary when they pleaded guilty to one count each for misapplication of funds and false entry.

Two former secretaries, Mrs. Dorothy Lockhart and Mrs. Gloria Collier, were given three one-year consecutive sentences, suspended, and fined.

By Lloyd Albertson

Oil drilling activity in Milam County, due to \$11 a barrel crude and the coming of spring, is booming, with three operators recently completing several oilwells and scheduling more tests, and a new operator group moving in and preparing to drill their first wildcat.

Most of the activity is located in the southwest extension of the Cherokee - Navarro Field and east of Milano in the newer Pemberton-Navarro Field.

Luling Oil & Gas Company of San

Antonio, a longtime operator in this area, has moved rig on the A. R. Graham Estate lease and is drilling a deep wildcat. Target is the lower Austin Chalk usually found at about 5,800 feet depth in that area. Location of the Graham is on a 250 acre lease in William Benton Survey and in the southwest extension of the Cherokee - Navarro Field.

Other wells Luling Oil & Gas has drilled recently are its No. 1 J. H. Yakesch located on a 46.96 acre lease, the George Morgan on a 53 acre tract, Coffield - Stewart on 40 acres, and Coffield - G on 80 acres

with two wells drilled. Also there are two more tests about ready to come in and be completed as producers.

All of these wells are located in the John Williams Survey and a short distance northeast of the old railroad switch known as Elevation. They produce from the lower Austin Chalk or the sub - Clarksville, as it is sometimes known by geologists.

Byron Rose, an independent operator in Austin, drilled the discovery well, his No. 1 J. A. Hood, in the Austin Chalk about three years ago partly by accident. He had sched-

uled the No. 1 Hood located on a 32 acre lease in John Williams Survey, on Edward Lime wildcat permitted to 6,500 feet, but was unable to find the Edwards formation when he drilled below 6,000 feet. However, the electric log of the wildcat indicated possibilities of pay around 5,800 feet, and when Rose plugged the hole back to that depth he succeeded in completing the wildcat as a lower Austin Chalk discovery. It produced 27 barrels per day on potential test but now reportedly has upped production to 40 barrels per day.

Another operator, Martin Oil & Gas Company, reportedly is completing a lower Austin Chalk wildcat in that same area. This is the company's No. 1 Mrs. A. Y. Bullard located on a 27.5 acre lease. This wildcat is just a short distance southwest of Rose's No. 1 Hood.

Martin Oil & Gas Company has its headquarters in Phoenix, Arizona. It has operations in Louisiana, Oklahoma, Texas, Arizona and several other states.

When it began operations in Milam County in September last year, the company's president, Malotte Martin, stated that it had plans to drill 43 wildcats on its approximately 10,000 acres of leases scattered from the Hanover area to Milano and down to Elevation along the trend of production. Martin's first wildcat drilled as its No. 1 Boyce L. Dubois. Location was on a 64.85 acre lease in the George M. Gilliland Survey and east of Milano. It was a Navarro "C" zone well in the new Pemberton - Navarro Field.

Since last September Martin has drilled 9 wells and has plans to drill 13 more in the immediate future. Seven of the wells are located in the Gilliland Survey. Three are on the Dubois acreage, and others include the Claude White and the 1-A Batte.

A third operator that has done considerable drilling in the Milam oil patch, United Production Company of Houston, has just run log on its new wildcat, No. 2 Marjorie Jordan, drilled to total depth of 2,960 feet. A Navarro "B" zone completion, the Jordan is located on a 183 acre lease in B. F. Swoap Survey and about a mile north east of the Cherokee - Navarro Field.

Potential test either has not yet been run or has not been reported on the No. 2 Jordan but is believed to be a good producer.

United Production has plans to drill several more wildcats in the near future.

A new operation group has acquired leases in Milam County and they are moving in immediately to begin drilling their first wildcat. The group includes Sam and Virginia Moti of Detroit, Michigan, John Mears of Washington, D. C., G. L. Pemberton of Irving, Texas. They are scheduled to drill a 3,500 foot wildcat on the Joe C. Willingham 98.4 acre lease located in J. L. Nicholson Survey.

Location has been staked for this wildcat and it will spud on Tuesday of next week.

## City Fails To Meet Blood Quota

Only 59 units of blood were given to the Red Cross bloodmobile visit Tuesday while the city's quota was 73.

Mrs. Glenda Moseley, blood program chairman, said Cameron is 29 units short for the year and there are only two more drawings, one in August and one in December.

New donors are badly needed, as a number of the "faithful" had to quit donating because of age, hepatitis, or other reasons, and several donors have died. The city in the past has usually met its quota or passed it, Mrs. Moseley said.

## Funds Sought For Old Cemetery

A fund has been opened at the Citizens National Bank for repairs and cleaning of the old Pioneer Cemetery, located on SH 36 just this side of Little River.

The cemetery fence has been damaged by a truck backing into it and weeds and brush are taking over again, a spokesman for the Cameron Pioneer Cemetery Association said.

Anyone who wants to help should mail their contributions to the bank at Cameron.

BROILER SHOW WINNERS and sponsors are shown before the prize-winning cockerals and pullets in Saturday's Junior Broiler Show held at City Park. From left are Narvie Caperton, sponsor for Rosemary Ehler, who received a trophy for the reserve

grand champion cockerals. Next is Lori Beth Tomascik, whose pullets won grand champion of the show. Next to her is Bess Jeter, representing the Cameron Herald, Lori's sponsor.

## Lori Tomascik's Pullets Judged Best In Show

Lori Beth Tomascik of Buckholts walked off with the grand champion trophy for her pullets exhibited at the annual Junior Broiler Show held Saturday at City Park.

Rosemary Ehler of Cameron received the trophy for reserve grand champion with her cockerals. Both trophies were presented at the annual banquet held Saturday night at Methodist Fellowship Hall.

Lori's sponsor was The Cameron Herald and Rosemary's was Narvie Caperton. Each year sponsors donate 50 chicks to members of county 4-H Clubs or FFA members for raising with the five best birds to be entered in the show.

Other winners included: First place cockerals, Donna Hause of Buckholts, sponsored by Marek Burns-Laywell Funeral Home; first place pullets, Gery Hollas of Cameron, sponsored by Mamie A. Hefley Ins. Agency. Second place cockerals, Barbara Winkler of Cameron, B. J. Matocha. Second place pullets, Gayla Hause of Buckholts, Forrest Sapp Ins. Agency.

Also, third place cockerals, Theresa Kostroun of Cameron, Lone Star Gas Co.; third place pullets, Darrell Glaser of Rt. 1, Rogers, Modern Gin, Buckholts. Fourth place cockerals, Eleonora Svetlik of Buckholts, Hornung Hatchery. Fourth place pullets, Michele Rodenbeck of Thorndale, Milton Wright.

And, fifth place cockerals, Deborah Glaser, Rt. 1, Rogers, KML. Fifth place pullets, Dudley Haisler, Buckholts, Camp Insurance.

Award for best kept records went to Michele Rodenbeck in the pullet division and in the cockeral division, Rebecca Riola. First place in junior judging in the pullet division went to Lori Tomascik and first place junior judging in the cockeral division went to Eleonora Svetlik.

## MOD Walkathon Invites Marchers To Join Event

The fourth annual March of Dimes Walkathon, "Walking for Love," will take place on Saturday, May 10 when marchers leave Rockdale and Cameron to meet at the junctions of FM Roads 1600 and 487.

## MOD Walkathon Invites Marchers To Join Event

Candidates for the "Order of the Battered Boot," or marchers, should contact Tom Brown or Bob Burnett, Rockdale, and Florence Meissner or Pearl Krenek at Cameron.

The Cameron group will meet at the Santa Fe Depot and leave town around 8:45 a.m.

Prizes will be given for the oldest marcher; the youngest marcher; the first marcher to complete the walk; the most appropriately dressed marcher; and the best march sign.

Last year's winners were: Jimmy Hawk of Buckholts, oldest marcher; Ricky Freeland of Cameron, first marcher back to Cameron; Tiffany Leared, Cameron, youngest marcher; Marchelle Woodfin, Pettibone, Ben Morris, Cameron, and Paul Mendoza and Sherry Williams, Buckholts, best walk signs; and Debby Ermis, best dressed marcher.

Everyone is invited to join the march to help fight birth defects, main job now of the March of Dimes

## Comprehensive Needs...

Rep. Dan Kubiak's bill for about \$1.8 billion increases in teacher salaries and school district equalization will face some modification before passage.

Teachers want \$10,000 a year asking. They'll probably get a minimum of about \$8,500 to keep the biennial increase below \$2 billion.

Rep. Kubiak himself has advised teachers requesting \$10,000 minimum pay that such demands make it appear teachers only seek better salary.

This is probably not the case. Texas is one of the few states with a budget surplus, while Texas teachers are the last not affiliated with National Education Association, some of whose affiliates have used strike techniques to request better conditions or pay in other states, usually cities.

What both Kubiak's bill, which emerged 7-5 from House Committee last week, and the Governor's would seek is a more comprehensive

base in salary, taxation, standards. Otherwise, a higher pay scale will only extend the difference local incentives above Gilmer-Aiken allow in wealthier over poorer districts.

There will always be differences between small and large districts, more highly developed and more rural districts. But the only difference which ultimately should be allowed is the emphasis in quality and technical development peculiar to individual districts.

Public schools are asked the impossible in the classroom anyhow. They are asked to teach to a norm among pupils which is non-existent.

The better teachers are, the more able they are to reach above and beneath the norm to what the students are.

Better salaries are justified, but a bill which allows teachers to label themselves salary-oriented will damage any education system.

## Offstreet Parking...

There is apparently more parking space available in the new downtown areas, but yet some need to identify them for regular car parkers and shoppers is obvious.

As more people visit downtown Cameron stores, more parking on adjacent streets will be needed. The mall

is a focal point and attraction for the downtown area.

Your Herald invites public or private lot owners to contact this newspaper or the trade development committee of the Cameron Chamber of Commerce if offstreet parking space is available.

**"Low Down"**  
FROM THE  
**Congressional Record**  
By JOE CRUMP

(A Column for Readers Who Haven't Time to Review the Congressional Record Daily)

### JAVIT'S BILL OK'S USE OF MARIJUANA

SENATOR JACOB K. JAVITS (N.Y.): "I send to the desk for myself, Mr. Cranston, Mr. Brooke, and Mr. Nelson for appropriate reference, a bill respecting the decriminalization of personal, private use of marijuana."

"S.1450 the 'Marijuana Control Act of 1975, would change existing Federal law in that it would no longer be a criminal offense for a person to possess within a private dwelling up to 1 ounce of marijuana for his own use or for the use of others, so long as it is not possessed with the intent to sell it for a profit."

"It would no longer be a criminal offense to possess in public an amount not to exceed 1 ounce of marijuana, if such possession is incidental to a private use and is not with the intent to sell it for profit."

ment the civil fine approach which has met with demonstrated success in the State of Oregon. In that jurisdiction marijuana offenders are given citations that are processed like traffic tickets. If the approach followed in Oregon and in the bill we introduce today were adopted throughout the nation, 90 percent of all marijuana arrests would be eliminated and the indiscriminate wrecking of people's lives and careers brought about by these unjust laws would end."

"I do not support, and this bill does not provide, for the legalization of marijuana, and I wish to clarify the distinction between legalization and decriminalization."

"Legalization, as the term is used in the drug field, means that marijuana could be legally sold, under appropriate government controls. This could, though not necessarily would, be similar to alcohol licensing. The im-

portant concept here is that both use and sales would be legal.

"Decriminalization only pertains to the user. The user is taken out of the criminal justice system, although selling remains illegal. This concept is intended to continue a discouragement policy against marijuana. By focusing the law enforcement attention against the commercial traffickers, rather than against the user, over 90 percent of the marijuana arrests can be eliminated."

### CRUMP'S GRASS ROOTS COMMENT

The National Commission on Marijuana and Drug Abuse reports that, "The potential harmfulness of marijuana to the user is on a much lower order of magnitude than the potential harmfulness of such other drugs as alcohol, tobacco, amphetamines, and barbiturates."

### VOTE BILLS ADVANCED

Bills important to the legislative process cleared the House in a busy week.

HB 4 revises the 1973 campaign reporting and disclosure act, and establishes a bipartisan commission to enforce it.

SB 300, with a controversial party purity amendment attached, provides for a computer-policed permanent voter registration system. The measure returns to the Senate, which previously has rejected the "purity" provision requiring voters to register by party preference.

Other major bills passed by the House last week would provide for establishment of Health Maintenance Organizations (SB 180) and encourage rape victims (HB 284) to report crimes and aid prosecutors in getting convictions. The HMO bill went back to the Senate with a minor amendment and is expected soon to be signed into law.

### LAWYERS CURBED

A State Bar of Texas Committee on Professional Ethics has held city councilmen and mayors who are lawyers should not practice in municipal courts or represent clients in cases initiated by city police officers.

Morris Hassell, of Rusk, committee chairman, said some of the same reasoning used in the opinion could be applied to legislators practicing before state agencies.

### COURTS SPEAK

A State Supreme Court decision cast doubts on cities' rights to regulate telephone rates for "extended metropolitan area service." The high court upheld an intermediate House court finding that a city has no inherent power to regulate utility rates, but only that granted by the legislature.

The Supreme Court also

affirmed a \$139,194 damage judgment against a Houston finance firm following the death of a man from a heart attack after efforts to collect a \$158 debt.

In another case, the high court found no usury in a Dallas savings association's \$24,985 profit from arranging a \$150,000 loan for a development firm.

### AG OPINIONS

The legislature has authority to require public utilities to refund to customers excessive rates, Atty. Gen. John Hill held.

In other recent opinions, the Attorney General concluded:

• A commissioners court is not required to call an election for purpose of in-

validating previously-authorized road bonds on presentation of a petition.

• The legislature may alter the method of selecting members of public service boards so long as the agencies' economic obligations are not impaired.

• A commissioners court's mere refusal to ratify a prior action allegedly taken in violation of the open meetings act does not of itself have the effect of invalidating the earlier action.

### APPOINTMENTS

R. Paul Teague Sr. of Texas City was named by Gov. Dolph Briscoe to the College Coordinating Board, succeeding Loren Bryce Meaders of Dallas who resigned.

Briscoe appointed Michael P. Metcalf of Dumas district judge of the 69th district (Deaf Smith, Oldham, Moore, Hartley, Sherman and Dallam counties).

He named Barry E. Blackwell of Dalhart to succeed Metcalf as 69th district attorney.

Tom Cole of Houston is new deputy general counsel for the Republican Party of Texas.

Roy M. Talley of Austin will serve on the legal committee of the Interstate Oil Compact Commission for Texas.

### SHORT SNORTS

The Governor entered into an agreement with the U.S. Department of Labor allowing unemployed Texans to

receive an extension of up to 13 weeks in unemployment benefits.

School Land Board announced bids will be received for a large oil and gas lease sale June 3. Another sale is scheduled at the same time for Texas Youth Council, Parks and Wildlife Department and Department of Corrections lands.

The Senate passed a bill to require coverage of alcoholism in health and accident insurance policies.

Love is not altogether a delirium, yet has it many points in common therewith.

"THERE'S LIFE IN THE OLD BOY!"

Dateline Austin

## Legislation Bears On Property Tax Values

Major legislation bearing on property tax values throughout the State has been passed by the House and sent to the Senate.

Representatives approved two separate measures which some contend provide for "the first major overhaul of the property tax structure in Texas this century."

HB 637 by Rep. Luther Jones of El Paso establishes a legislative tax board which will conduct an \$8 million statewide audit of taxable property during the next two years.

HB 1463 by Rep. Wayne Peveto of Orange would direct all property tax appraisals to be made by countywide offices. Local taxing authorities would still establish their own tax rates and assessment ratios under the legislation.

The State Comptroller's office would develop standards and procedures for the county tax appraisers.

Both bills are regarded as important to school finance reform. Many of the school measures would base allocation of state aid on market value of district property.

## County Agent's Notes

# Pecan Field Day Planned

A Pecan Orchard Management Field Day is scheduled for 6 p.m. May 14 on the Anton Anderle place on Highway 77 between Cameron and Minerva.

Anderle, who is chairman of the Milam County Pecan Committee, has announced that Dr. George R. McEachern, Extension horticulturist will be in charge of the program.

The Field Day was timed to closely coincide with spraying for the first generation of the pecan nut casebearer, considered to be the number one pest of pecans in Texas. Spray applications for the pecan nut casebearer are usually from mid to the latter part of May, but vary each year due to weather and pecan development.

The group will check for casebearer egg lay and also discuss other insect and disease problems and necessary spray applications.

Also, included in the discussion will be at talk on variety adaptation. Anderle has most of the old standard varieties and USDA varieties in production in his orchard.

Dr. McEachern will also demonstrate the inlay graft and the patch budding method of propagating pecans. There will possibly be enough materials available for some of

the group to try their hand at propagation techniques.

This meeting will be of interest to commercial producers and homeowners alike and any and all are welcome to attend.

## Legumes Can Replace Nitrogen

Legumes offer a good alternative to paying the high price of commercial nitrogen fertilizer, according to research agronomists with the Texas Agricultural Experiment Station.

Dr. G. W. Evers, with the Texas A&M University Agricultural Research Station at Angleton, notes that grazing livestock on legume pastures is one way of getting back to the soil. Nitrogen is returned to the soil in the form of urine and feces.

Nitrogen is also added through the decomposition of legume roots and nodules in the soil and the decomposition of legume leaves and stems above the soil.

Evers points out that two perennial legumes, alfalfa and white clover, grow successfully in Texas where they are well adapted.

Dr. F. M. Rouquette, at the Texas A&M University Agricultural Research and Extension Center at Overton, advises delaying late summer nitrogen application and removing grass topgrowth, thereby reducing competition from perennial grass to get maximum production from legumes.

When fertilizing legumes, he recommends liming according to a soil test and using low amounts of nitrogen and higher amounts of phosphorous and potash.

## GSPA Seeks Override Of Veto

Telegrams to members of Congress from Grain Sorghum Producers Association have requested an override of President Ford's veto on the Emergency Farm Bill.

The president vetoed the farm bill May 1 after its earlier passage by a House vote of 248-166 and a strong voice vote in the Senate.

Elbert Harp, executive director of GSPA, expressed "some optimism" that Congress will override the veto.

GSPA's telegram to the House of Representatives and Senate stated that the Emergency Farm Bill was "imperative for price stability for farmers and consumers." The telegram, signed by Harp, urged Congress to help override the President's veto.

The emergency bill passed by Congress would have increased both target prices and loan rates on feed grains, wheat, cotton, and milk for 1975 only, in an attempt to stabilize the agricultural economy.

"Farmers have not been so close to the brink of bankruptcy since the Great Depression," warned Mabry Foreman of Felt, Okla., a GSPA vice-president testifying before a Congressional committee in a farm bill meeting.

GSPA has worked for passage of the emergency bill since its introduction through testimony before committees, letters to Congressmen and recently, a letter to the president.

Farmers cannot continue to suffer financial losses in production of the nation's food and stay in business, Harp warned the president. "Unless some provision is made to stabilize agricultural markets, many producers will be farming operations," Harp's letter said.

**Corn For All**  
Annual corn production from Iowa, Illinois, and Nebraska is enough to feed the nation's population, yet it amounts to only 28% of the U.S. annual grain crop.

## Agri-Culture?

HOW'S YOUR?

PEAS ARE AMONG THE WORLD'S OLDEST CULTIVATED PLANTS!!

THEIR REMAINS HAVE BEEN FOUND BENEATH RUINS OF 5000-YEAR OLD BUILDINGS IN SWITZERLAND...

AND HISTORY RECORDS THAT DRIED PEAS WERE MAN'S FIRST "CONVENIENCE" FOOD!!!

STILL POPULAR TODAY, THEY'RE GOOD PROTEIN PROVIDERS AND ALSO SUPPLY BOTH VITAMINS AND MINERALS!!

## Livestock Exports Reviewed

U. S. exports of livestock and livestock products totaled \$1.57 billion in 1974, up 10 percent from record levels a year earlier, according to Dr. Ed Uvacek, livestock marketing specialist with the Texas Agricultural Extension Service.

"The greatest export increases were in animal fat and furskins. Lard exports were also up 42 percent and edible tallow exports tripled.

"However, red meat exports were down considerably from '73 levels due to a cut-back of beef exports to Canada and pork exports to Japan. Variety meat exports were also down somewhat," notes the Texas A&M University System specialist.

Uvacek says that live cattle exports were off considerably despite a 30,000 head increase in shipments to Mexico. During 1974 Mexico also became a valuable market for U.S. sheep and goats.

# Best Grazing System Combines Forage, Stock

"The best grazing system is one that gives optimum vegetation improvement and top livestock performance without sacrificing either plant or animal requirements," says Dr. M. M. Kothmann, associate professor with the Texas Agricultural Experiment Station.

Kothmann says there are basically two categories of grazing systems. One is deferred rotation systems where at least half of the total land is grazed at any given time and grazing time equals or exceeds the rest period.

The other type is short duration grazing systems where animals graze less than half of the total land and the length of time a pasture rests exceeds the length of grazing period.

"Deferred rotation grazing systems give the best livestock performance, while short duration systems give the most rapid range improvement," Kothmann points out.

"If you're trying to improve the range condition and are willing to sacrifice some livestock production, short duration grazing is the best system. A deferred rotation grazing system is better if you're trying to boost livestock production."

The range scientists lists a few points to consider in selecting the right grazing system.

"Look at the number of pastures available, their carrying capacity, and the type and condition of the vegetation. Also, try to evaluate whether your water facilities, working pens and labor are adequate to handle larger herds of animals."

Two important factors to consider when implementing grazing systems are stocking rate and lengths of rest period, says Kothmann.

"No grazing system will compensate for overstocking," he emphasizes. "To determine the correct stocking rate when starting a grazing system, calculate the

carrying capacity for all pastures and then divide this number into the desired number of herds. If all pastures have the same carrying capacity, the herds should be of equal size."

Kothmann recommends using a conservative stocking rate with a short duration grazing system. Also, make sure the rest period is adequate.

"The rest period should be long enough to allow major forage species to regain vigor. In areas of high rainfall, a rest period of about three to four months is adequate. On drier range, the rest period could last for 12 months."

It's not wise, advises Kothmann, to start a grazing system during a dry period or near the end of the normal growing season. "When starting a system, rest the first unit during the period with the best growing conditions," suggests the researcher.

Down Again, But Up Slightly... 24,000 During the Last Half Of May... Brucellosis Again in Spotlight... Earlier Reports.

Cattle on feed in Texas continue to be down about 50 percent from a year ago. But maybe there is light at the end of the tunnel. The Texas Crop and Livestock Reporting Service at Austin notes that cattle on feed in Texas and the nation showed a slight upturn in April compared to a month ago.

In Texas as of April 1, there were 1,122,000 cattle on feed. This is four percent above the number on feed a month ago. But it is 49 percent below the total a year ago.

Feedlot operators in the state reported intentions to market 700,000 cattle now through June 30. This would be 62 percent of the total on feed as of April 1 and would be 37 percent lower than marketed during the April to June 30 period last year.

Nationwide, cattle on feed in the 23 major feeding states are the lowest number for April in 12 years.

In the seven major feeding states—Texas, Arizona, California, Colorado, Iowa, Nebraska and Kansas—the number on feed is two percent above a month ago, but is 37 percent below those on feed a year ago.

**CROP QUESTIONNAIRES** will be mailed to 24,000 Texas farmers during the latter part of May.

They will be the basis for compiling information about Texas crops for 1975. Texas farmers, incidentally, have the reputation throughout the nation of being the most cooperative of any group in answering these questionnaires.

If you are one of those receiving the questionnaire, you are requested to fill it out as accurately as possible and return it promptly. Accurate returns are needed to get as true a picture of Texas agriculture as can be obtained.

**BRUCELLOSIS ERADICATION EFFORTS** are being speeded up throughout the state. The Texas Animal Health Commission (TAHC) notes that misunderstanding about the program is causing some difficulties.

"Most cattlemen are cooperating with the program, and they are to be commended for that," Dr. H. O. Sibley, executive director of the TAHC, said.

If you have a question about the program, you can get the correct answer to it by contacting the Texas Animal Health Commission in Austin or TAHC field veterinarians.

The state-federal program was begun in 1934 on a voluntary basis to eliminate the disease. Since 1954, regulations have evolved into a system which includes testing cattle to find infection and sending infected animals to slaughter. Only about one percent of the nation's cattle population is infected with brucellosis.

**CROP REPORTS OF ACREAGES** planted by farmers for most crops will be released earlier this year than in past years. The reports are usually released in July, but the Statistical Reporting Service says it will now release acres to be harvested in June.

The planted acreage and acres for harvest estimates to be released June 30 will be based on surveys as of June 1. The report will include acreages of feed grains, food grains, oilseeds, hay, and other crops which in previous years were included in the July crop production report.

**GROSS INCOME FOR DAIRY PRODUCERS** in 1974 was up 16 percent from 1973. However, the figures do not show the increases in production costs (which for many ingredients doubled and tripled) for Texas dairy producers in 1974.

The average number of milk cows was down one percent in 1974 compared to 1973. Total milk production was three percent above the 1973 figure.

## Naman Raps Developments

"Disappointing" is the word Texas Farmers Union President Jay Naman, of Waco, used to describe recent legislative developments in Austin.

Naman was referring to reports this week concerning public utilities regulation, strip-mining, and public school financing.

"Texas Farmers Union members have a stake in what the Legislature does concerning these three critical problems," Naman said at the farm organization's state office in Waco.

"Texas Farmers Union has taken a strong stand on strip-mining and public utilities," Naman added. "We are very disappointed that the legislature has bowed to industry pressures and has reported out of committee totally inadequate bills to cope with these problems."

Naman said that he agreed with State Senator Ron Clower's statement on the utility bill that has been reported to the Senate. "This is a

utility companies bill and a consumer's nightmare."

"We are also very concerned that the utilities bill does not protect the territorial rights of cooperative utilities, which service most of rural Texas," Naman said. "Of equal importance is the regulation of sand, gravel, and rock mining in the state."

## TEXAS TALK

By Skip Hobbs

Demand for quality cotton continues to increase. Not only is the use of natural fiber rebounding, but the by-product market is also expanding. Since average cottonseed meal is at least 41 percent protein, it is becoming increasingly important as a primary feed for cattle, sheep and horses.

**Expeller, Hydraulic and Solvent** are processes used to produce meal or cake from raw cottonseed. Expeller and Hydraulic processes leave about 5 percent fat content in processed meal while the Solvent process leaves less than 1-1/2 percent.

Research now underway may result in an economically feasible method of limiting Gossypol (a cottonseed toxin) content to low enough levels to make cottonseed meal a primary protein supplement for swine and poultry. Success could significantly increase this by-product demand.

## MAY IS HOME IMPROVEMENT MONTH

### Pleasing Look Key To Accepted Fence

Fences usually are built for practical reasons, but they also must present a pleasant appearance for neighbors and visitors.

Complete privacy with an open look and air circulation can be achieved with a board-on-board fence of western wood.

More open is the slat fence of spaced 2x2s set vertically on 2x4 stringers and 4x4 posts, or the louvered board fence.

**Weeds Take Toll**  
A recent study in Arkansas showed that weeds are costing farmers in one county about \$10 million a year, and this loss is just in the soybean crop.

Corrugated Steel culverts, all sizes and lengths 6" to 120" in diameter up to 40' lengths. We deliver anywhere in Texas.

# From Burlington

By Mrs. Gerald Foshea

Mr. and Mrs. Chester Rogers of Galena Park visited Mrs. J. T. Prescott and Jake last Wed. evening on their way home after spending a few days at their farm.

Mrs. Kathleen Hammond returned home last Fri. after spending a week at St. Edward Hospital for treatment.

Mr. and Mrs. W. J. War-chak and Mr. and Mrs. Steve

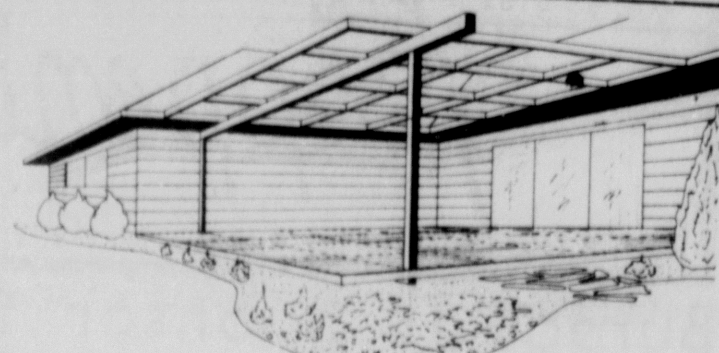

Warchak spent last Sun. evening with Mr. and Mrs. Carroll Warchak of Georgetown. Mr. and Mrs. Henry Davenport, Mr. and Mrs. Wesley Davenport of Rosebud, Mr. and Mrs. Arthur Davenport of Cameron, and Mr. and Mrs. Carlton Parker of Hewett spent last Fri. at the deer lease, near Johnson City, on the August Schmidt ranch. Mr. and Mrs. Billy Jeff Prescott and girls of Houston, Mr. and Mrs. Fred

Cochran of Cameron, Mr. and Mrs. Tommy Layne and boys of Rosebud, Mrs. Maggie Asbury of Wilderville, and Mrs. Robert McCollum and Sharon of Waco visited Mrs. J. T. Prescott and Jake during the weekend. Mrs. A. E. Hensel entered Halbert Hospital of Rosebud on Saturday morning for treatment and tests. Mr. and Mrs. Honston Brown, Russ, and Allen of Troy; Mr. and Mrs. Stanley Kirk and Kristi of Cameron; and Mr. and Mrs. Leonard Pelzel had supper with Mr. and Mrs. Alan Pelzel last Sun. night.

Mr. and Mrs. Stanley Kirk and Kristi of Cameron and Mr. and Mrs. Alan Pelzel visited Mr. and Mrs. Leonard Pelzel on Sun., May 4. Mrs. Jerry Wade and Christi of Austin spent several days last week with her parents, Mr. and Mrs. Joe Hromcik. Mr. and Mrs. Emil Vaculin, Ellen, and Vicky of Sp-lawn had supper with Mr. and Mrs. Joe Hromcik on Satu. Mrs. Joe Hromcik attended a miscellaneous shower for Miss Martha Vaculin, bride-elect of David Hertenberger, at Marak

Hall on Sun. evening, May 4. Mr. and Mrs. Herbert Englbrock and Leland, and Mr. and Mrs. Paul Olbrich spent Sun. evening visiting Joe and Sophie Knapik of Columbus. Mr. and Mrs. W. J. War-chak are the proud grandparents of a granddaughter, Jacqueline Denise, born to Mr. and Mrs. Jerry Huffer of Temple on May 1 at Scott and White Hospital of Temple and weighed 8 lbs. and 15 oz. Other grandparents are Mr. and Mrs. Joe Huffer of Honey Grove and great grandmother is Mrs. Lena Warchak of aGrange.

## Bureau To Sponsor Queen Contest

The Milam County Farm Bureau will sponsor a Queen Contest in conjunction with a Little Miss Contest and Talent Find on July 12 at the First Methodist Fellowship Hall in Cameron.

The purpose of the queen contest is to give recognition to the beautiful farm and ranch girls.

To be eligible a girl must be a daughter or sister of a Farm Bureau member in Milam County as of April 6, 1974, single (defined as an unmarried girl or a girl who has never been married), and the age of 16 by Sept. 1, 1975 and not over 22 as of Sept. 1, 1975.

The Little Miss contestant must be a daughter or sister of a Farm Bureau member in Milam County as of April 6, 1975 and must be either 3, 4, or 5 years of age.

The talent find contest is open to a male or female who is between the ages of 17-30 inclusive as of Dec. 1, 1975 and must be a Farm Bureau member or a member of a Farm Bureau family

and must be an amateur. Interested parties may contact the following by June 14, 1975:

Mrs. Carl Grothe, Mrs. Andrew Youngblood, Mrs. A. T. Swanzy, Mrs. Henry Richter, Mrs. Morris Coward, Mrs. Marvin June Jr., Mrs. Joe Walzel, Mrs. Calvin Cobb, Mrs. Derwood Cobb, Mrs. Michael Whiteley, Mrs. Steve Beattie, all of Cameron.

Also, Mrs. Wavy Charles, Rockdale; Mrs. Leroy Wuen-sche, Thrall; Mrs. Kenneth Marek, Burlington; Mrs. Clifford Whiteley, Rockdale; Mrs. Arnold Jungmann, Buckholts; Mrs. Frank Tomascik, Buckholts.

Entrants may also contact the Milam County Farm Bureau office in Cameron.

## Heart Association Receives Memorials

The American Heart Association has received the following contributions as memorials:

Mary Buck in memory of Mrs. Ora Pullin; Mr. and Mrs. Edwin C. York in memory of the following - Shirley Swift, John Mangum Jr., of San Antonio, Estelle Hinton, Vince Matula of Temple.

Also, Business and Professional Women's Club in memory of W. M. Price, Tommy Chamberlain in memory of W. M. Price, Fred Gresak of Buckholts and Waymond Gresak of Buckholts. Mr. and Mrs. Charlie Martin in memory of Walter Huffman of El Campo.

ENGAGED—Mr. and Mrs. J. A. Emanuel of Goodrich announce the engagement of their daughter, Sherrell, to Thomas Slavik, son of Mrs. Frank Slavik of Cameron. Sherrell is a 1974 graduate of Sam Houston State University with a teaching degree in English and Art. Tom is a 1973 graduate of Sam Houston State University with a degree in Printing Management. He is representative with Monarch Paper Company of Austin. The couple plans a June 21 wedding in Cameron.

## Shower Honors Bride-Elect

Miss Martha Vaculin, bride-elect of David Herterberger, was honored with a miscellaneous shower at the Marak Recreation Hall. Hostesses were Dorothy Vaculin, Edith Vaculin, Vlasta Dohnalik, Betty Tepera, Imelda Hromcik, Mary Zavadny, Betty Brenek, and Gladys Allison.

The registration table was covered with a white cloth centered with a heart with the inscription "Martha and David."

The gift table was covered with a white cloth and centered with a "Love Tree," and candles in silver holders.

The hostesses served from a table covered with a white cloth, the centerpiece was of daisies, the brides chosen flowers. Appointments were of crystal.

Misses Lisa, Virginia, Kathy, and Vickie Vaculin, Diane Evans, Roxanne and Nina Hromcik registered the guests and helped with the gifts.

## Rubac Receives Award

Sheryl Rubac, daughter of Mr. and Mrs. Denson Rubac of Cameron, received the Crisco Award for her outstanding work in home economics at Buckholts High School's Parent-Member FH Banquet on April 24.

The silver plaque was presented to Miss Rubac, a junior at Buckholts High School, by the FHA advisor, Ms. Sharlene Lott.

## School Lunch Menu Cameron

MONDAY, MAY 12

MOD QUEENS—Susan Sims, left, is the 1975 Teen Age Program queen for the annual March of Dimes drive. Shown with her is Marcia Rodenbeck, the 1974 TAP Queen.

## Mrs. Holley Demonstrates Thistle Painting

Mrs. Maria Holley of Temple gave a demonstration on painting thistles as the Cameron Porcelain Art Guild met Thursday night in the Business and Professional Women's Club House for their regular monthly meeting.

Mrs. Willie Falkner, club president, presided over the short business meeting attended by 20 members and 2 guests. During the business meeting, 8 new members were accepted into the club and Mary Brumley gave a report on the state convention that was held in Brownsville.

Molly Richter and Nell Davis won the door prizes.

## Lions Club To Sponsor Dance

A dance will be sponsored by the Buckholts Lions Club Friday evening, May 9, at the Buckholts SPJST Hall from 8 to 12. Music will be provided by the Rheine Steines.

Proceeds from the dance will go to the Buckholts Volunteer Fire Department and their continuing fund for a fire truck.

Tickets may be purchased now from Lions Club members at \$2 per person.

## Sr. Citizens To Meet

Cameron Senior Citizens will meet Tuesday, May 13 at the Cameron Community Center.

Activities for the day will include a coffee at 10 a.m.; a covered dish luncheon at noon, a program before and after lunch presented by the county extension office in honor of the senior citizens month, and games.

The meeting is open to all area senior citizens.

## Junior Class To Sponsor Bake Sale

The Yoe High Junior Class will sponsor a bake sale Friday from 4-6 p.m. in front of the First National Bank.

Proceeds from the sale will go toward the junior-senior prom fund.

## Personal Mention

Visitors in the home of Edward (Monk) Matula this week were his sisters, Elizabeth and her husband Bill Bradford of San Antonio. The Bradfords have just recently returned from several months stay in Torremonolions, Spain. While in Europe they spent Christmas in Andermott, Switzerland at a ski resort. They also visited in Africa, Portugal, and Prague, Czechoslovakia.

Weekend visitors of Mr. and Mrs. Eugene L. Tomek were Mr. and Mrs. Raymond M. Rea of San Antonio and Mr. and Mrs. Thomas S. Fluker and their son, Derrick, of Houston.

## College Notes

Cameron junior Deborah Hensley of Route 3 is among the close to 100 Southwest Texas State University home economics students honored during recent departmental awards ceremonies. Deborah received an award for scholarship.

## TJC To Sponsor Art Show And Sale

Temple Junior College Art Department will sponsor its annual art show and sale on Thursday, May 8 from 10 a.m. until 10 p.m. and Friday, May 9 from 10 a.m. until 6 p.m. in the Fine Arts Building. Most art works include oil, drawings, and acrylic paintings, watercolors, mixed media, pottery, and various crafts, and will be for sale.

The art show and sale is open to the public.

## LOSE UGLY FAT

Start losing weight today or money back. MONADEX is a tiny tablet and easy to take. MONADEX will help curb your desire for excess food. Eat less - weigh less. Contains no dangerous drugs and will not make you nervous. No strenuous exercise. Change your life... start today. MONADEX cost \$3.00 for a 20 day supply. Large economy size is \$5.00. Also try AQUATABS: they work gently to help you lose water-bloat. AQUATABS - a "water pill" that works - \$3.00. Both guaranteed and sold by:

## To Continue District Lead Yoemen Pounce Hapless Lions, 10-0

The Cameron yoemen continued the lead in District 23AA baseball by downing the Leander Lions 10-0 Friday. It took only 6 innings and no-hit pitching by Gerry Heitman to halt the slugfest in the shortened version of district baseball.

The Yoemen scuttled in 2 runs to open the ballgame in their half of the first inning and continued their scoring attack throughout the contest.

Randy Sapp tagged a single to reach first followed by another hit by Jeff Smitherman. Hits by Joey Mondrik and Gary Hornung allowed Sapp and Smitherman to cross the home plate for 2 Yoe scores.

In the second inning, Joe Smitherman popped the hardball into orbit and sailed to the fence for a ground-rule double that drove Bruce Zarosky across the plate. Zarosky was credited with a hit to attain the first base safely.

Again the Yoemen scored 2 runs in the third inning to add insurance against the Lions. Gerry Heitman opened the inning with a pounded-out single to left field. Bruce Zarosky slammed a double into right field and Gene Kopriva found easy picking from the batters box when he singled to score Heitman. Joe Smitherman added an RBI to his listing by scoring Zarosky.

Jeff Smitherman tagged a home run for the only score in the fourth inning of play. This added the 6-0 mark to the scoreboard.

A 3 run inning occurred in the fifth inning to draw the

Yoemen within one run of the 10 run ruling. Rickey Kelley opened the inning with a line drive single followed by Gerry Heitman's free ride on a fourth ball call.

Bruce Zarosky slugged a single into right field to score Kelley and Heitman. Then an error on a passed ball through the Lion catcher allowed Zarosky to tag home plate.

The final blood was drawn in the sixth inning. Joey Mondrik knocked a single followed a sacrifice to advance Mondrik to second. Mondrik scored when Heitman nabbed his second hit of the evening.

The Yoemen now stand 7-2 for district play and are followed by Westlake with a 6-3 record. A Westlake win over Hearne coupled with a loss to Elgin by the Yoemen would send the district into a co-championship. Westlake would then represent District 23AA in the playoffs.

## T and C Sets Tourney

The Town and Country Tennis Association is sponsoring a "County Sunshine" tennis tournament on Saturday and Sunday, May 9 and 10 at the Yoe High School courts.

The tournament is for club members only, and anyone wishing to join the association may contact Mary Frances Shipp or pay their dues of \$5 per year on the day of the tourney.

The divisions of the tournament include: men's singles, men's doubles, women's singles, women's doubles, and mixed doubles. Partners for the doubles play will be drawn at the opening of the tourney.

Trophies will be awarded for first and second place winners in all divisions. The

entrance fee is \$2 for each division, plus an additional \$1 to defray the cost of the balls.

Members of the junior high tennis team will be at the tournament to give free baby-sitting service.

For more information, contact Mary Frances Shipp at 697-6655 or 697-3772. Deadline for entering the tournament is Friday, May 8 at 4 p.m.

## Jr. High Tennis Team Wins

The junior high tennis team participated in the UIL 3AAA District tennis play in Georgetown on Saturday and Monday.

Winners in the meet were Stephen Hollas, first place boys singles; Vicki Brashear and Betty Sue Chubb, first place girls doubles; Cathy Huffman, third place girls singles; Helen Chandler and Kim Fritz, third place girls doubles; Ronald Cobb and David Raymond, third place boys doubles; and Renee Schigut, fourth place girls singles.

The tennis team will participate in 2AA district play in Caldwell on Tuesday, May 13.

## Little League Meeting Set

A meeting has been called for Thursday at 7:30 p.m. in the Athletic Field House for all Little League coaches and working personnel.

Scheduling for the '75 season will be published along with a rules interpretation to be discussed during the meeting, according to league President Jon Forsythe.

This is a vital meeting for the coaches and all other interested people involved in the summer league program.

## SPORTS SPOTLIGHT

By Forrest Guess

### YOE BAND IS #1

The Yoe High Band, under the direction of Jerry Bartley, added another first to the Yoe record by outclassing all other competition at the Buccaneer Day Parade in Corpus Christi Saturday.

The band was in competition with other class 2A bands from the entire state. The win added the third first division ranking of the band this year.

The band marched some 3 1/2 miles in the parade that was comprised of 40 bands and was made up of over 134 elements.

The Yoe Band again shows the total involvement of the Yoe High student body along with the athletic functions. The motto of the school must become, "Together we are #1!"

have to play them the same type of game as we did in the first round of district action. In our first game with them, we had real strong hitting along with sound defensive ball. This is a must for the Yoemen."

Coach Forsythe added, "A lot of people are sitting around waiting on Hearne to beat Westlake, but this is the last thing on my mind. We can forget about Hearne and Westlake and just beat Elgin, that is the most important thing on my mind."

Forsythe closed by saying, "When I started off this season, I had my doubts about ever being able to represent the district, but with a lot of games, good competition, and a lot of hard work, we are sitting in the number one position. The team has had a great deal of enthusiasm, good attitude, and great leadership, which has allowed us this top position."

### ANOTHER DISTRICT TITLE?

The question of who will represent Dist. 23AA will be answered after the Elgin ballgame. Yoe has a chance to win the district outright with a win over the Wildcats. With a loss, the Yoemen can end the season with no less than a district co-championship.

In visiting with coach Jon Forsythe he had the following remarks: "Some people are saying that if we lose the game we will still be co-champions, but I have emphasized that we don't want to be co-champs, we will give 100 percent for the district title."

"We have played real fine ball during the season and I think we deserve to go further," Coach Forsythe continued. "We have set our minds to the fact we want to go further and to win another district title for the Yoemen."

Coach Forsythe commented, "Elgin has a good team and are well coached, and to beat them we will

## Gause News

By Mrs. Wanda Lee

Mrs. Laura Ward of Leesville, La. is visiting here with her sister, Mrs. Mary Bowling and friends.

Henry Simmons accompanied by his son and family, Mr. and Mrs. Mike Simmons and daughters of Rockdale were in Houston the weekend of April 26-27 for the birthday celebration of Traci Marks on her 5th birthday at the home of her parents, Mr. and Mrs. "Tee Joe" Marks. Mrs. Henry (Mildred) Simmons had been released from Methodist Hospital in Houston where she underwent major surgery recently and spent several days with the Marks'.

She returned home to Gause with her husband, son and family Sunday, and is slowly improving daily.

Mr. and Mrs. Bill Blakeley and family, Mr. and Mrs. Oliver Blakeley and children and Mr. and Mrs. Joe Hobbs and baby all of Texas City visited this past weekend with Mrs. Agnes Blakeley and Pam and Mr. and Mrs. Henry Simmons.

Carlos Roberts, principal of our school, and Wayne Lee, school board president, attended a Regional School-board Trustee workshop at Texas A&M University last Monday afternoon, April 26.

Mrs. Lillie Harris spent several days in the Hearne hospital this past week where she had surgery on her finger.

R. E. Sharp of Borger spent several days here visiting with Mr. and Mrs. Bill Cunningham.

Visitors this past week with Mr. and Mrs. Alanzo Edwards was her sister and brother-in-law, Mr. and Mrs. Oral Worley of Temple. Mrs. Edwards and Mrs. Worley went to the Adina community Friday afternoon.

where they attended the funeral of Mr. Edward's sister, Mrs. Lucy Waustenhouse.

Mrs. R. A. Edwards and Miss Rose Graham of Houston came by Thursday and Mrs. Bertha Denman accompanied them to Minerva where they had lunch with Mr. and Mrs. Micheal Whiteley and Vicki. Mr. and Mrs. Bill Darwin and Mrs. Wesley Shelander and Leslie also joined them for lunch and a visit.

Elder Harold W. Wilcox is presiding as pastor of the Gause Church of God in Christ. He is a native of Galveston and is a graduate of Paul Quinn College in Waco. Mrs. Johnnie B. Wilson, reporting for the church invites the public to their services.

Mr. and Mrs. Ray Cass, Kay Albright, Mr. and Mrs. Wayne Lee and children were in Lexington Friday night where they attended the Youth Rodeo, part of the weekend Lexington Homecoming. They went especially to see Dwayne Cass ride a calf. Kay Albright went back Saturday night and attended the street dance with the Jimmy Cass family.

Mr. and Mrs. David Wilkins, Diana and Jennifer of Bayou Vista, La., visited the weekend with Mr. and Mrs. Alfred Coats and children, J. D. Wilkins, Mrs. Mildred Ely and in Hearne with their daughters and families.

Mrs. Velma Moseley of Cameron visited and attended church with Mrs. Lola Williams Sunday.

This Sunday, May 11 is the Annual Mothers Day Homecoming in our community. The program this year will be held at the Methodist Church. After the program everyone will spread their lunch on the

nice new tables under the trees between the Baptist Church and the Cemetery for an hour or two of good food and fellowship.

The last report we have on Mr. Elvis Wilson is that he is doing better after suffering a heart attack a couple of weeks ago.

Mr. and Mrs. Chuck Cernuch, Mike Donna, Charlie, and Gerald Harrell and Kay Albright spent Sunday afternoon in Marquez with Mr. and Mrs. C. C. Cernuch Sr.

"Shell" House Saves On Finishing Cost

"Shell" homes have gained favor in many new home markets, among buyers willing to add "sweat equity" by completing the interiors themselves. A large share of these are factory-built "pre-fabs."

One shell manufacturer offers 35 basic models to lot owners for prices ranging from \$16,000 to \$28,500, with a down payment of \$100. Its franchised erectors in the Northeast and Midwest report heavily attended open houses.

Small Business Session At Houston

There are many factors that go into a successful business. If you have a desire to go into business, attend the Small Business Orientation Session on May 15, at the University of Houston.

The seminar sponsored by the Service Corps of Retired Executives (SCORE), The University of Houston Continuing Education Center, and the Small Business Administration will cover such topics as Recordkeeping, Business Opportunity, Taxes, and Insurance.

This workshop is offered twice a month.

Buy The Best 7-11 Allied Exclusive 7-Farms Bread 2 Large 1 1/2 Lb. Loaves For 69c Friday & Saturday May 9 & 10

MR. BUSINESSMAN:  
IF THERE REALLY IS NO NEED  
FOR CONTINUOUS ADVERTISING -  
MINISTERS

SHOULD PREACH ONLY ONE SERMON OR SO PER YEAR. PEOPLE ARE AGAINST SIN ANYWAY SO WHY RAP ABOUT IT.

TRAFFIC LIGHTS

SHOULD BE TURNED OFF AT DANGEROUS INTERSECTIONS TO SAVE ELECTRICITY. EVERYBODY SHOULD KNOW IT'S A DANGEROUS SPOT AND THAT OUGHT TO BE SUFFICIENT.

HIGHWAY POLICE

SHOULD STOP DRIVING UP AND DOWN THE HIGHWAYS. NO NEED TO CAUTION DRIVERS BY PATROLLING HIGHWAYS. DRIVERS KNOW THE LAW AND ALWAYS OBEY IT.

TEACHERS

SHOULD NOT REVIEW LESSONS. TELL CHILDREN JUST ONCE AND THEY WILL NEVER FORGET.

BUT

IF YOU ARE ONE OF THE FOOLISH KIND-LIKE THE NOTRE DAME CATHEDRAL THAT HAS STOOD FOR SIX CENTURIES BUT CONTINUES TO RING THE BELL EVERY DAY TO LET PEOPLE KNOW IT IS STILL THERE - AND BELIEVE IN CONTINUOUS PROFITABLE ADVERTISING, THEN YOUR ADVERTISING BELONGS IN ---

## Ford

Melvin Ford, 68, of Arlington and formerly of Cameron, died Saturday in an Arlington hospital after a long illness.

Funeral was at 2 p.m. Monday in Green Funeral Home in Cameron. Burial was in Oak Hill Cemetery. He was a retired farmer and stockman.

Mr. Ford was born and raised in Cameron and had lived in Arlington for four years.

Surviving are his wife, Mrs. Amy Ford of Arlington; and two sisters, Mrs. John Muse, and Mrs. Burns Bever, both of Cameron.

Pallbearers were Joe Bashara Jr., David Speice, Dana Kestenbaum, Lee Marek Jr., Henry Siebman, L. D. Hill, Make McDermott, Harry Tag.

Honorary pallbearers were Buck Kirk, Ray Lester, Carl Black, Don Humble, Robert McGown, Wade Hampton, H. J. Foschinsky, Herbert Sims, Paul Nabours, and Seth Corley.

He was born in LaGrange and was a retired farmer.

Surviving are his wife, Mrs. Louise Hall of Cameron; three sons, George Hall of Santa Clara, Calif., Kenneth Hall of San Jose, Calif., and Sammy Cass of Sealy; a daughter, Mrs. Charlotte Cordisco of Los Gatos, Calif.; four brothers, Lee Hall of Cameron, Loys Hall of LaGrange, Jessie Hall of Port Neches, and Eugene Hall of Orlando, Fla.; three sisters, Mrs. Dot Spittler of Port Neches, Mrs. Birdie Null of Austin, and Mrs. Audie Inge of Tomball; and 9 grandchildren and 16 great grandchildren.

## Special Service Set May 10

The Latin American Council of Christian Churches will sponsor a Special Service May 10, from 7 p.m. until 10 p.m. at the First Methodist Church Fellowship Hall.

There will be a service and special music will be presented by singers. Pastor E. T. Chapa of "El Calvario" Mission is the local pastor representing Cameron.

The special service is open to all interested persons in Cameron and surrounding areas.

## Hall

Funeral for Johnny Hall, 78, of Cameron was at 2 p.m. Monday in Marek-Burns-Laywell Funeral Home in Cameron with the Rev. Perry Ricciardson officiating. Burial was in Hope Lutheran Memorial Park at Buckholts.

Mr. Hall died Friday night in a Temple hospital.

## The Consumer Alert

by John L. Hill  
Attorney General

AUSTIN—It's against the law to sell insurance in Texas without a license, but apparently a few people don't know that yet.

A small number of unlicensed companies or individuals have been offering what amounts to "insurance coverage" on anything from lost credit cards to extended automobile warranties to breakdowns of major home appliances. They do this even though they do not meet the requirements for insurers set by the State Board of Insurance.

Consumers who buy such "insurance" think they will be protected for their loss if, for example, they lose a credit card and someone charges a large amount of merchandise to their account.

But lawyers in our Attorney General's Consumer Protection Division and Insurance, Banking and Securities Division say often such insurers have no money reserves to pay

claims. So, after paying "premiums" regularly, the consumer may not be able to collect if he or she suffers a loss.

Most insurance companies and agents are stable and reputable. Those few which are not generally are unable to meet licensing requirements set by the State Board of Insurance, the agency charged with licensing and regulating the insurance industry in Texas.

The Attorney General's Office, as legal representative for the Board, files suit to correct fraudulent business practices in the industry when the State Board of Insurance certifies such suits for action. Where the agent or company is not licensed by the Board, our Consumer Protection Division may bring action to collect penalties and to stop violations of the Deceptive Trade Practices-Consumer Protection Act.

Recently, a few unscrupulous agents have been reported to be zeroing in on old or ill persons to sell "medical insurance." Many purchasers of the policies didn't meet company standards, and would have been unable to collect. Some agents were alleged to have sold such persons a new policy every year, in order to get the agent's commission. And some of the agents were also alleged to have defrauded the companies they represented by concealing or falsifying information about the applicants.

Another type of "insurance" sold is an extended automobile warranty, one which covers any car problems after the dealer's warranty runs out.

One company involved in this type of insuring implied it was affiliated with major car dealerships in a large city, although none of the dealers confirmed this. In addition, the company had no money in reserve to pay claims.

Our Consumer Protection and our Insurance, Banking and Securities attorneys say that if you buy insurance from a third party who is not connected with the manufacturer or dealer of the product you bought, such as a new car, you should be careful to check into the reputation and dependability of the insurer.

**State Farm offers the LOWEST RATES among the leading car insurers in Texas.**

For most Texas drivers, State Farm has rates that are 15% less than the new rates set by the State. Why pay more than you have to? Call me for details.

## Love and Security

You don't need to know much about polar bears to get the message here. This cub hasn't a worry in the world. But one day he'll grow up to know all the frustrations of life in captivity.

Motherhood is security... but only for awhile. And the human mother is no more able to perpetuate the bond of total protection than is her wild counterpart.

Some parents today have abdicated their responsibility to guide their children. They have broken the family bonds too soon. Their children pay for this negligence: They age—but they don't mature.

Whims are fickle... and momentary. The Church strives to replace such elusive goals with something more substantial, something more stable. The inner values of character and faith remain as vital today as ever.

In our turbulent society, tranquility can only be found inside a person. Such stability and serenity could be your greatest gift to your child.

## Legal Notice

### LEGAL NOTICE

The Central Texas Manpower Consortium has applied for a grant of \$1,007,000.00 to the U.S. Department of Labor in Dallas, to operate its Manpower Program for FY '76. Estimates are that 1340 needy citizens will be served, of the total served 825 will be terminated, 770 of which will be considered positive.

Significant segments to be served during the program year include: Youth 725, Vietnam Veterans 20, Mexican-Americans 300, Offenders 15, and Older Workers 20. Programs planned include: Vocational and Institutional Schooling, On-The-Job Training and Work Experience in the Public Sector.

Estimates of planned expenditures are: Administration \$149,000, Allowances \$93,600, Wages \$536,300, Fringe Benefits \$46,700, Training \$58,900 and Services \$123,000.

The Complete grant application may be reviewed at either of the following addresses:

Central Texas Council of Governments, East Annex, Bell County Courthouse, Post Office Box 729, Belton, Texas 76513, Telephone: 817 939-1801;

Central Texas Council of Governments, Post Office Box 727, San Saba, Tx 76877 Telephone: 915 372-5109

The offices are open Monday thru Friday, 8:00 A.M. to 5:00 P.M.

Comparison of performance against prior year thru most recent quarter (31 March).

All program Activities:

Plan - 516; Actual- 756.
